Careers in Oral Surgery Symposium

Wednesday 29 February 2012

The symposium is aimed at all UK oral surgery trainees and those interested in oral surgery training programmes to better familiarise themselves with current governance, structure and opportunities in oral surgery training. The symposium will cover some simpler aspects of oral surgery practice and will be of interest to undergraduate dental students, FY1 and FY2 trainees, senior house officers, specialty doctors, and senior staff.

Aims and objectives:

At the end of the day participants will:

- understand the process and governance of postgraduate training
- be aware of the current developments within the NHS that impact postgraduate training
- be informed of oral surgery training pathways.

This day will attract 5 CPD credits.

Please note that there is a fixed cancellation charge of 10%. Cancellations made 2 weeks prior to the course will result in no refund.

Best Practice in Oral Surgery: Day 1

Friday 19 October 2012

This study day is aimed at all UK oral surgery trainees and qualified staff to better familiarise themselves with current developments in oral surgery, novel concepts and modern practice. The study day will cover some advanced aspects of oral surgery practice and will be of interest to undergraduate dental students, FY1 and FY2 trainees, senior house officers, specialty doctors and senior staff.

Aims and objectives:

At the end of the day participants will:

- understand recent developments in local anaesthetic and understand the challenges to current practice
- gain awareness of the developments, applications and risks of imaging in oral surgery
- be informed of the management of dentoalveolar trauma, acute pain and BRONJ
- have gained tips on the management of the medically complex patient
- understand the medico-legal ramification of oral surgery practice
- have a clearer understanding of the enigma of trigeminal pain.

This day will attract 5 CPD credits.

Please note that there is a fixed cancellation charge of 10%. Cancellations made 2 weeks prior to the course will result in no refund.

Best Practice in Oral Surgery: Day 2

Saturday 20 October 2012

This second study day is aimed at all UK oral surgery trainees and qualified staff to better familiarise themselves with current developments in oral surgery not covered in study day 1. The day will be of interest to dental undergraduates, FY1 and FY2 trainees, senior house officers, specialty doctors and senior staff.

Aims and objectives:

At the end of the day participants will:

- understand the recent developments within the practice of oral surgery
- understand minimal access, low risk oral surgery
- be aware of the current developments in apical surgery
- be informed of the developments and recent advances in TMD
- be informed of novel development and strategies in the diagnosis and management of salivary gland disease
- understand how to avoid iatrogenic trigeminal nerve injuries in surgery practice.

This day will attract 5 CPD credits.

Please note that there is a fixed cancellation charge of 10%. Cancellations made 2 weeks prior to the course will result in no refund.

09.00 – 09.45	Registration
09.45 – 09.50	Welcome Miss Kathryn Harley <i>Dean, Faculty of Dental Surgery</i>
09.50 – 10.00	Introduction Professor Tara Renton <i>Course Convenor, King's College London</i>
10.00 – 10.50	Modern Oral Surgery Professor Tara Renton
